THEREFOR

Dear Sir:

Enclosed herewith is an substitute specification, in proper idiomatic English and in compliance compliance with 37CFR 1.53, 1.121(b)(3) and 1.125. Namely, the specification, claims and abstract have been printed on A4 paper with margins as required. Also, the line spacing has been changed to double spacing.

The newly filed specification contains no new subject matter. The specifications and claims are the same as originally filed except for the above mentioned amendments. Should additional fees be required, the applicant authorizes the USPTO to charge applicants account no. 150720. Applicant requests that all matters related to formal matters be deferred until the examiner determines that the present application contains patentable subject matter.

Sincerely yours

Morris Ostrowiecki

The inventor
